

## Recycle Your Tree This Season

December 27, 2019

**MURFREESBORO, Tenn. (Dec. 27, 2019).** With the holidays behind us and a new year ahead, now is the perfect time to commit to making more sustainable choices and recycling in 2020.

Start by recycling your Christmas trees and wreaths. Recycling trees not only keeps them from going to the landfill, it also provides mulch for local and state parks.

Murfreesboro and the surrounding communities offer tree recycling where used trees are mulched and/or donated to wildlife conservation organizations and parks. Just remember to remove the stand and decorations and do not put your tree in a plastic bag.
