

Firefighters Respond to Surface Fire

April 6, 2020

MURFREESBORO, Tenn. (Apr. 6, 2020) – Rutherford County firefighters responded to a surface fire in the northern portion of Middle Point Landfill Sunday night around 10 p.m. They were able to fully extinguish the fire by 1:30 a.m. Fortunately, no personnel were injured, and no infrastructure was damaged. As we work to determine the cause of the fire, we continue to operate the Landfill as normal.

We greatly appreciate the Rutherford County Fire Department's speedy and thorough response. Their quick and professional actions were critical, and we are thankful for their continued service to us and our community.
