

A Day of Remembrance and Action

January 15, 2021

MURFREESBORO, Tenn. (Jan. 15, 2021) – Every year on the third Monday of January, our team at Middle Point Landfill takes time to remember the critical work of Martin Luther King, Jr. and to celebrate his life and legacy. The MLK National Day of Service is a time to empower individuals, strengthen communities and move us closer to Dr. King’s vision of a more supportive, inclusive and just community. We are proud to be part of the Murfreesboro community and have seen firsthand this year the dedication of our neighbors to building a better future, supporting one another and improving this place we all call home. We also want to thank those individuals who work tirelessly each day to ensure essential services are provided to keep our community safe and healthy.

The City of Murfreesboro has coordinated multiple volunteer opportunities on Monday, Jan. 18, for neighbors interested in volunteering to further improve the Murfreesboro community. To learn more and sign up for volunteer slots, visit <https://www.murfreesborotn.gov/2181/MLK-Day-of-Service>.
